

Updated information:

Centrifuge will end on Friday and the cost is reduced to \$240.

Centrifuge is July 20-24, 2009

Centrifuge is now Monday—Friday, July 20–24, 2009. It is a camp experience for youth grades 6-12, which challenges students to a new and deeper relationship with Christ. Centrifuge incorporates a teenager's need for activity, fellowship, and spiritual growth with the desire to learn. The Bible study curriculum is built around games and activities, resulting in stronger group relationships and a better application of spiritual truths. Centrifuge also focuses on teenagers' interests. Through personal interest tracks, teenagers can choose from an array of subjects such as missions, messy games, music, witnessing, water sports, backpacking, drama, and many others. Centrifuge also understands the importance of youth worship. Drama, music, youth testimonies, and other creative sources add to powerful preaching aimed directly at the needs of today's teenagers.

Registration

Teenagers must have completed 6th grade, and be at least 12 years of age before attending Centrifuge. High School seniors who have just graduated may also attend.
