

DIGITAL CHURCH GIVING SOLUTIONS

The most affordable digital giving option

ONLINE GIVING

Easily take payments through an online portal with your church's personal branding and logo. You can even offer giving for different purposes (general tithing, missions, building expansion, etc).

TEXT-TO-GIVE

Increase the speed and ease of giving through text-to-give. Allow your congregation to give using their mobile phone- whether they are physically at church or not!

RECURRING BILLING

Make it easier for your congregation to give regularly through recurring billing- whether that be weekly, bi-weekly, or monthly. Recurring billing is key to a healthy, predictable church budget.

THE BEST PART? IT'S SIMPLE, QUICK & EASY TO SET UP!
